4. YOUR RIGHTS AND CHOICES

The CCPA provides consumers (California residents) with specific rights regarding their personal information. This section describes your CCPA rights and explains how you can exercise them. These rights are not absolute and certain exceptions apply under the CCPA, such as when you provide personal information in your capacity as an employee, owner, director, officer, or contractor of a company, partnership, sole proprietorship, non-profit, or government agency in the context of ZipRecruiter providing a service to that company, partnership, sole proprietorship, non-profit, or government agency.

Once we receive and confirm your verifiable consumer request (see [Exercising Access, Data Portability, and Deletion Requests](#)), we will delete (and direct our service providers to delete) your personal information from our records, unless an exception applies.

We may deny your deletion request (in whole or in part) in accordance with any purpose that is permitted by the CCPA. For example, we may deny your deletion request if retaining the information (or a portion thereof) is necessary for us or our service provider(s) to:

- Complete the transaction for which we collected the personal information, provide a good or service that you requested, take actions reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform our contract with you;
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity, or prosecute those responsible for such activities;

C. Exercising Access, Data Portability, and Deletion Requests

Making a Verifiable Consumer Request: To exercise an access, data portability, or deletion request as described above, you can submit a verifiable consumer request to us in one of the following ways:

- **Delete Your Account:** If you would like to delete your job seeker account (including the personal information associated with your account), you may log in to your password-protected account on the Website, visit the Account Settings page, and click "Delete Account" (or [click here](#) to login and be taken directly to that page). We consider requests made through your password-protected account sufficiently verified when the deletion request relates to that specific account.
- **Download Your Data:** If you are a job seeker and would like to access your personal information or obtain a copy of your personal information in a portable manner, you may log in to your password-protected account on the Website, visit the Account Settings page, click "Request Data" (or [click here](#) to login and be taken directly to that page). When your export is processed, we will send an email to the email address associated with your job seeker account containing an access code required to download the data. We consider requests made through your password-

protected account sufficiently verified when the request relates to personal information associated with that specific account.

- **Send Us an Email with your Request:** You may send an email to dsars@ziprecruiter.com. To submit a verifiable consumer request via email, you must email us from the email address that is associated with your ZipRecruiter job seeker account. If you are requesting access to categories and/or specific pieces of your personal information, you will be asked to provide identifying information that enables us to verify you with information in our system. Once you submit your verifiable consumer request, we will verify your identity by matching the information you provided us with information in our systems.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you. Making a verifiable consumer request does not require you to create an account with us. However, we do consider requests made through your password-protected account sufficiently verified when the request relates to personal information associated with that specific account.

We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

Using an Authorized Agent: If you use an authorized agent to submit a request to access, delete, or opt-out on your behalf, the authorized agent must: (1) be a person or business entity registered with the California Secretary of State to conduct business in California; (2) provide proof of such registration; and (3) provide documentation or other proof indicating that they are authorized to act on your behalf. For requests to access or delete, we may require you to verify your identity directly with us, and directly confirm with us that you provided the authorized agent permission to submit the request.

Limitations on CCPA Requests: You may only make a verifiable consumer request for access or data portability twice within a 12-month period. The verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative; and
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

D. Response Timing and Format

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time, we will inform you of the reason and extension period in writing. Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable.

For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance, for example, through an Excel or JSON file format.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

E. Opting Out from the Sale of Personal Information

For more information, or to submit an opt-out request, you (or your authorized representative) may visit our [Notice of Right to Opt-Out](#) page or email your request to dsars@ziprecruiter.com. You do not need to create an account with us to exercise your opt-out request. We will only use personal information provided in an opt-out request to review and comply with the request.

5. NON-DISCRIMINATION

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

- Deny you goods or services.
- Charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties.
- Provide you a different level or quality of goods or services.
- Suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.
