D. Automated Decision-Making

We use automated decision-making to help improve our products and services to you. For example, we may use automated technologies to send you job alert emails regarding roles that may be of interest to you based upon your search criteria (if you have consented to receive job alert emails directly from ZipRecruiter, in our capacity as a data controller), show you jobs that may be of interest to you based on your search criteria while you are using our Website, and/or show you jobs based upon your application history or CV.

6. WHO WE SHARE YOUR DATA WITH

We require all third-parties to respect the security of your Personal Data and to treat it in accordance with the law. We do not allow our third-party service providers to use your Personal Data for their own purposes and only permit them to process your Personal Data for specified purposes and in accordance with our instructions and this Privacy Policy.

A. Personal Data

We may share Personal Data with the following parties:

Internal Parties

- Companies within our corporate family that comprise the ZipRecruiter Group. Access to your Personal Data will be controlled and only granted where necessary to provide our services to you and/or to allow us to perform any necessary or legitimate functions.

External Third-Parties

- Service providers that we use to support our business and/or help provide our services to you, including, but not limited to, third-parties that host our Website, assist us to verify your

identity, perform website and platform maintenance, risk assessments, and security, perform data and web analytics, provide databases, IT services, customer service, payment platforms and credit card processing, communication services, and email services.

- Professional advisers such as lawyers, bankers, auditors and insurers who provide consultancy, banking, legal, insurance, financial, auditing, and accounting services to us so we can operate our business.
- Taxing authorities, such as the Internal Revenue Service and other authorities acting as processors based in the United States, the U.K. and other applicable countries, who require reporting of processing activities in certain circumstances.
- Fraud prevention and identity verification services where we believe that disclosure is necessary or appropriate to protect the rights, property, or safety of ZipRecruiter, our customers or others. This includes exchanging information with third-parties for the purposes of fraud detection and prevention and credit risk reduction.
- In connection with or during negotiations of any proposed or actual financing, merger, purchase, sale, sale or transfer of some or all of our assets or stock, joint venture, or any other type of financing, acquisition or business combination of our company(ies), or all or any portion of our assets, or transfer of all or a portion of our business to another company, including without limitation in the event of a divestiture, restructuring, reorganization, dissolution or other event, whether as a going concern or as part of bankruptcy, liquidation or similar proceeding. In the event of a merger, divestiture, restructuring, reorganization, or other sale or transfer of some or all of our assets or stock, Personal Data that we hold about our clients and users of our services will be one of the assets that will be transferred. If a change happens to our business, the new owners may only use your Personal Data in accordance with this Privacy Policy.
- Third-parties, where you have expressly consented to the disclosure of your Personal Data.
- Law enforcement agencies, courts, supervisory authorities, regulatory bodies and certain other third-parties, to the extent that we are permitted or required to do so by law, or in order to comply with our legal and regulatory obligations, or in the interests of national security, or to respond to verified requests relating to a criminal investigation or alleged or suspected illegal activity.
- To enforce our [Terms of Use](#) and other agreements with you, to respond to, and defend ourselves against, claims asserted against us, to protect the rights, property, or safety of ZipRecruiter, our services, customers or others, or to investigate, prevent, or take action regarding suspected or actual illegal activities or for debt collection.
- If you are a job seeker and apply to a job posting on our Website, we will share your Personal Data with prospective employers, and/or their agents, including but not limited to, external Applicant Tracking Systems or any other external systems used by the direct employer to manage the hiring of employees or other categories of workers.

Please Note: Please ensure that the profile information and CV associated with your account is up-to-date, so when you apply for a job vacancy through a Job Seeker User Website, the employer receives your most recent CV. When you apply to a job vacancy, you will be given the option to use the CV saved in your account or upload a different CV before submitting the application. You can delete or replace your CV by going to (1) the 'Profile' settings in your account on the Job Seeker User Website; or (2) going to the 'Account' icon in the mobile app (if you are a mobile app user in the U.K.).

- For any other purpose disclosed by us when you provide the information to us on the Website, or otherwise with your express consent.

B. Non-Personal Data

Where permitted by applicable law, we may share your Non-Personal Data for any purpose not prohibited by applicable law or inconsistent with this Privacy Policy or any written representation we have made to you at the point and time of the data collection.

7. WHERE YOUR DATA IS TRANSFERRED

The information that you provide or that we collect as a result of your interaction with the Website and/or your use of our services on the Website is transferred to the USA and/or to another country where we have a subsidiary or where we have engaged service providers. Some countries that are not located within the EU may be recognized by the European Commission as providing an adequate level of data protection. For transfers from the EU to countries not considered as adequate by the European Commission, we have put in place measures, including by ensuring that the recipient is bound by EU Standard Contractual Clauses, to protect your Personal Data, which can be found at https://ec.europa.eu/info/law/law-topic/data-protection/international-dimension-data-protection/standard-contractual-clauses-scc_en. When we transfer Personal Data from the EU or Switzerland to the USA, we also rely on the EU-U.S. or Swiss-U.S. Privacy Shield Frameworks (“Privacy Shield”), and in making such transfers, we adhere to the Privacy Shield Principles, as described in our Privacy Shield certification, which you can find at <https://www.privacyshield.gov/participant?id=a2zt0000000TNnuAAG&status=Active>.

8. HOW LONG YOUR DATA WILL BE KEPT

Different retention periods apply for different types of Personal Data and in determining the appropriate retention period, we consider several criteria, including, but not limited to, the purpose for which we hold your Personal Data, our legal, accounting, reporting and/or regulatory obligations in relation to that Personal Data, e.g., financial or tax reporting obligations, whether our relationship with you is ongoing, e.g., where you use more than one of our products and/or services, any specific request you may have made in relation to the deletion of your Personal Data, or where we have a legitimate interest in relation to the management of our own rights, e.g., the defence of any claims. In some circumstances we may anonymize your Personal Data so that it can no longer be associated with you, in which case we may use such information without further notice to you. Once you no longer have a relationship with us, we will retain and securely destroy your Personal Data subject to the foregoing and in accordance with applicable laws and regulations. If you request to receive no further contact from us, we will keep some basic information about you on our suppression list in order to avoid sending you unwanted materials in the future.

9. YOUR DATA SUBJECT ACCESS RIGHTS

Data subjects in the EEA, Switzerland, and U.K. have the following rights with respect to their Personal Data:

YOUR RIGHTS	WHAT CAN YOU REQUEST
<i>Right to Information</i>	The right to know what Personal Data we hold about you and how we use it.
Right to Access	The right to be provided with a copy of your Personal Data (subject to certain restrictions).
Right of Rectification	The right to require us to correct any incomplete or inaccurate Personal Data we hold about you, though we may need to verify the accuracy of the new data you provide to us. If you have a user account with us, you also have the option of

YOUR RIGHTS	WHAT CAN YOU REQUEST
	correcting your information directly in your account.
Right to erasure/be forgotten	This enables you to ask us to delete or remove Personal Data where there is no good reason for us to continue to process it. Note, however, that we may not always be able to comply with your request for erasure and in such circumstances, will notify our reasons to you.
Right to restrict processing	The right to require us to restrict processing of your Personal Data, i.e., you can request that we suspend the processing of your Personal Data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.
Right to request data portability	In certain circumstances, you have the right to request the transfer of your Personal Data to you or to a third party in a commonly used machine-readable format. Note, however, that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.
Right to object to processing	You have the right to object to the processing of your Personal Data in the following circumstances: (i) at any time to your Personal Data being processed for direct marketing (including profiling); or (ii) in certain other situations, to our continued processing of your Personal Data, e.g., our processing of your Personal Data when such processing is based on our legitimate interests. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.
Right to withdraw consent at any time	You have the right to withdraw your consent at any time where we are relying on consent to process your Personal Data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent.
Right not to be subject to a decision based solely on automated decision-making	The right not to be subject to a decision based solely on automated processing (including profiling) that produces legal effects concerning you or similarly significantly affects you. However, your right does not apply if: (i) you gave us your explicit consent to use your Personal Data to make our decision; (ii) we are allowed by law to make our decision; or (iii) our automated decision was necessary to enable us to enter into a contract with you.

Method for Requesting Information Pursuant to Your Rights

Upon request, ZipRecruiter will provide you with information about whether we hold any of your personal information. If you would like to exercise any of the data subject access rights in the table above (each, an “Access Request”), please send an email to dsars@ziprecruiter.com.

No Fee Usually Required

You will not usually be required to pay a fee to access your Personal Data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, we may refuse to comply with your request in these circumstances and, in such case, we will notify you within a reasonable timeframe regarding our reasons for refusing to act on your request.

What We May Need from You

Once we receive your Access Request, we may need to request specific information from you to help us confirm your identity and ensure your right to access your Personal Data (or to exercise any of your other rights). This is a security measure to ensure that Personal Data is not disclosed to any person who has no right to receive it.

If we are not clear as to what you are requesting, we may also need to contact you for clarification so we can more fully respond to your request.

If we cannot locate any records about you, we may also ask you for additional information to assist us in locating records, if they exist.

Time Limit to Respond

We try to respond to all legitimate requests within one month. Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests. In this case, we will notify you and keep you updated.
